

There is real help for your nerves in Sanatogen

THE assurance that there is real help for tired, exhausted nerves has come as a veritable boon to thousands of men and women—in a crisis when their nerves have broken under the taxation of strenuous effort, debilitating illness or weakening worry.

There is no condition where lack of physical or mental vigor more quickly affects efficiency than a lowering of nervous vitality.

The universal indorsement of Sanatogen by over 10,000 physicians gives scientific authority to the enthusiastic praise it has received from multitudes of grateful men and women who have returned to nerve-health from its use.

It is the only food which will strengthen weakened nerves—at a stage where work is driving you back to bed. It is the only food in which you formerly took pleasure—where digestion is impaired—where sleepless nights are the rule—where you feel that you will do well to give heed to what these physicians have said about Sanatogen.

Sanatogen is a nerve food—scientifically combining the elements necessary to feed the nerves. It is a compound of pure protein and organic phosphorus in a form that readily and easily digests—imposes no burden upon the most delicate stomach—and not causing harmful temporary stimulation. Sanatogen is just what you need—pure, real, ideal.

You may find Sanatogen is what your nerves need.

THEIR 25TH WAS CELEBRATED

Mr. and Mrs. Gerrit P. Wilder Make Notable Anniversary of Their Wedding

Twenty-five years served only to add happiness and friends to the lives of Mr. and Mrs. Gerrit P. Wilder who celebrated last evening their silver wedding anniversary with one of the most elaborate and happy social functions of many seasons, given at the country club.

The setting for the affair was ideal, the whole being artistic, perfectly ordered and comfortable, thoroughly typical of the activities of Mr. and Mrs. Wilder. The decorations were expressive not only of the artistic temperament of the bride of twenty-five years ago but also of the genius of the twenty-five-year groom, the beautiful hibiscus which Mr. Wilder has made to mean so much in Hawaii, figuring prominently in the exquisitely tasteful floral scheme.

Receiving with Mr. and Mrs. Wilder were Governor and Mrs. Walter F. Frear, Mr. and Mrs. John Randolph Galt, Mr. and Mrs. Alexander J. Campbell and Omer and Mrs. George Herbert.

Introductions were made by Walter F. Dillingham, the ushers including Messrs. Alonzo Gortley, Harry Macfarlane, Clifford Kimball, Dr. Ferdinand Hedemann, Bruce Farrington, L. M. Veleson, Frank Armstrong, Harry Cobb, Dickson, Noel, Samuel Walker, C. H. W. Norton, H. H. Walker.

After the best of friends bidden to the celebration had offered their congratulations, Mr. and Mrs. Wilder led a musical dance by a number of guests on the floor where the magnificent wedding cake topped with the delicate silver bell, occupied the center of attention. It was very pretty and refined.

The dinner was done by Mr. and Mrs. James Wilder, Mr. and Mrs. Richard Ivers, Mrs. Renney Scott and Leslie Scott, Mr. and Mrs. Arthur Brown, Miss Iankus and Samuel Wilder, Mrs. John S. Walker and Walter F. Dillingham, Judge and Mrs. William Whitney, Mr. and Mrs. Harold Castle, Mr. and Mrs. Charles T. Wilder, Mr. and Mrs. Harold Dillingham, Mrs. Harry Gunn and Robert Atkinson, Miss Karina Scott and George Walker, Mr. and Mrs. George Potter, Mr. and Mrs. Gerrit Wilder.

After the dinner of the most was announced, Governor Frear made a short and appropriate speech expressing the congratulations of sincere friendship. He then read a poem written for the occasion entitled "Silver Sky and Silver Sea." So that there should not be too much formality the friends who danced the waltz sang "Silver Threads Among the Gold." Mrs. Wilder cut the wedding cake, the health of the host and hostess was drunk by all assembled, the wedding cake was passed and the dance was on.

Gerrit P. Wilder married Miss Lilian Kimball at Hills cemetery, Nov. 7, 1887. After their wedding tour they made their home at Kahoolawe, Maui, coming to Honolulu in more recent years.

WILL TAKE ISLAND PHOTO FROM BALLOON

A. C. Pillbury, the art photographer of San Francisco who was in the islands in the spring taking photographs of island scenery, has announced his intention of taking photographs of Hawaiian scenery from the basket of a captive balloon. His plan is to return to Honolulu next January in order to secure a panoramic picture of the city from an elevation of about 500 feet. He is also planning to bring with him a motion picture machine to get pictures of the volcano, the surf breakers and a few sunsets.

According to Mr. Pillbury, the Sunset magazine for January will have an illustrated article on Hawaii which he contributed, dealing with contrasts of mainland and island scenery, the contrast being low valley with Yosemite, and Grand Canyon with the Grand Canyon of Arizona.

Major Putman Braden Strong, one-time husband of May Yoke, the actress, and at present managing affairs in Spain, has volunteered his assistance in the war against the Turks.

BEREAVEMENT FOR LOCAL WRITER. Advice from Dillingham, Washington, bringing the sad news of the death of the body of Miss Marjorie... Mrs. J. H. Warman, of Seattle, Washington, and was a visitor with her mother in Honolulu for a while during the first of the year, but on account of ill health she returned to her home in the State of Washington, and it is thought that during an acute attack of pneumonia, resulting from falling health during the past two years, ended her life in the bay.

announcing the sudden passing away of her sister summoned her to the mainland, and she sailed by the China, October 15. We know that many will wish to join with us in heartfelt sympathy for her, and to express the hope that she may find it possible to return to Honolulu where she has won the regard of many by her genuine kindness and her editorial work.

For a reasonable fee we will prepare your copy and place it in the newspapers that will do you the most good. The Chas. R. Frazier Co., 122 King Street, Phone 1371.

A SOUR, GASSY, UPSET STOMACH

"Pape's Dispepsin" Overcomes Your Indigestion in Five Minutes.

Wonder what upset your stomach, which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt, if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gas and acids and eructate undigested food; breath foul, tongue coated—just take a little Dispepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Dispepsin occasionally keeps their delicate organ refreshed and they eat their favorite food without fear. If your stomach doesn't take care of your liberal limit without rebellion, if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Dispepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak disordered stomach; it's so unnecessary.

WILSON'S CABLE APPRECIATED. J. H. Wilson, national Democratic committeeman for Hawaii, received the following message yesterday from Wm. F. McComb, chairman of the national committee: "Hon. J. H. Wilson, Democratic national committee, Honolulu:—Deeply appreciate your generous message. Victory is inspiring." Teacher—What can you say of the Moles and Perians? Young America—I never kept track of those minor league teams.
